BONPLAND'S

Fever and Ague Remedy. It is neither a Patent, Quack or Empiric, but a gennine specific, prepared from the Recipe of a Physician, and approved by the widest and best known scientific Chemist in the Country, (DR. J R. CHILTON, of New York,) and by him recommended to the world (voluntarily and without pry) for its valuable properties; and declared that it contains no mineral or poisonous substance. Its wonderful properties in removing BILE, and and giving TONE, STRENGTH and VIGOR to the Liver, Kidneys and Stomach, or in other words, curing the disease Thoroughly and Effectually, not simply breaking the chill, but removing the CAUSE, are everywhere acknowledged.

Read the following Certificate; we could produce a hundred just like it, but we ask the public to try it, and stake its success on its merits Totedo, Aug . 8th. 1848.

Forguens. I got so had and became so hadly bloated, that I had to cut open my boots, and have my clothes made larger. At last I could scarcely walk alone, and was finally cured by Bondond's Vegetable Remedy' for Fever and Augue

The fifth time I used this medicine the chill and fever left me, and I continued to take the medicine for some time after, regularly, a teaspoonful at a dose, and now I am finally and perpendicular attention paid to paid to Physicians' orders, and good articles always given with the privilege of returning all articles not good.

PAINTS AND OILS I have still one-third of the medichill and fever, and the swelling has entirely left me. I am also harpy and working at mp trade, as a Carpenier. It is not necessary to say any

thing more of this valuable medicine.

THE MARRIAGE STATE: Shall Happiness and Health, or Misery and Sickness, attend it !

MOST STARTLING CONSIDERATIONS! Reflections for the Thoughtful.

Strange that countless human beings exist and drag through life as do the beasts of the field, or the insects of the earth, evineing no more though, or reflection than though the noble faculties of mind were not vouchesfed to them.

Many such are husbands and fathers, upon whom are dependent the health, the well-being, and the happiness of a confiding and affectionate wife, with perhaps a family of children.

HOW OFTEN IT HAPPENS THAT THE WIFE LINGERS FROM YEAR TO YEAR In that philable condition as not even for one day to In that philable condition as not even for one day to feel the happy and exhibitating influence incident to the enjoyment of health.

She may not be an invalid confined to her bed, or even to her room; as her pride, ambition and energy induce and nerve her to take personal charge of her household, even when her health will not admit of it; but she is nevertheless perceptibly sinking from day to day, and always alling.

Thus, day after day, and month after month transpire. Her health daily sinks, till finally even the hope of recovery no longer remains. And thus

THE BLOOMING BRIDE, But a few years ago in the flush of health and youth, and buoyancy of spirits, rapidly, and area youth, and buoyancy of spirits, rapidly, and apparently inoxplicably, becomes a feeble, sickly, debilitated wife, with frame emuciated, hervon un strung, spirits depressed, countenance bearing the impress of suffering, and an utter physical and montal respectation.

montal prostration. Sometimes this deplorable change may and does arise from organic or constitutional causes. But oftener, by far oftener, to gross and inexcusable ignorance of the simplest and plainest rules of health as connected with the marriage state, the violation of which entails disease, suffering and misery, not only to the wife, but often

from the Parents.

And must this continue? Shall we be wise in all that concerns the cattle of our fields, our horses, our sheep, our cows, our oxen, the nature and sharacter of the soil we possess, the texture and quality of our goods and merchandles; but in all that sencerns curseives as human beings, with human functions and passions, subject to great derangement, involving our future peace and happinessmall that concerns the health and welfare of the wife of our affections, and the mother of our children; in all that concerns the mental and physical well being of those children, we should be immersed in the darkest and most.

BENIGHTED IGNORANCE. AS CULPABLE AS INENCUSABLE!

AS CULPABLE AS INEXCUSABLE!

How long shall this ignorance prevail so productive of its bitter fruits! How long shall the wife and mother be ignorant of the nature, character and causes of the various womb and sexual complaints, embittering her days by suffering suffering of the prolonged to years, eventuating in a complication of diseases utterly and hop-lessly incurable! Shall we for ever close our eyes to the results of physiological science by which we may arrive at an understanding of ourselves as men and women, subject to serious life-long enduring diseases, and perpetuating them to our children.

LET EVERY WIFE AND HUSBAND PONDER No husband or wife need by ignovant of what concerns them most to know to secure their health and happiness. That knowledge is contained in a little work entitled

THE MARRIED WOMAN'S PRIVATE MEDICAL COMPANION, BY DR. A. M. MAURICEAU, PROPESSOR OF DISEASES OF WOMEN. One Hundredth Edition. 18me, pp. 250. Price 50 Centr. [ON FINE PAPER, EXTRA RINDING, \$1 00.]

First published in 1847; and it is not SURPRISING OR WONDERFUL. Considering that EVERY FEMALE, whether MARRIED OR NOT, can here acquire a full knowledge of the nature, character and causes of her complaints, with the various symptoms, and that nearly HALF A MILLION COPIES

should have been sold. It is impracticable to convey fully the various subjects treated of, as they are of a nature strictly intended for the married, e contemplating marriage. UPWARDS OF ONE HUNDRED THOU-Have been SENT BY MAIL within the last few
